

'round town

with Betty Allen...

If a few men are willing to give their time without compensation and to leave their work or their beds at any time to fight a fire in this community, the least rest of us can do is to show up April 1 to show our interest and appreciation by voting to elect a new fire commissioner. Fred Jones has consented to run and his public-spiritedness should be given the approval of a big vote.

A reader brought in the following poem this week from her home town paper, "The Clovis Independent" and it minces no words on the subject:

I GUESS THEY SAVED THE LOT

Some folks are always kicking;
Don't know when they're well off;
No matter what's done in their town,

All efforts they will scoff.
They'll find fault with the firemen
And just as like as not;
When talking of a fire, they'll say:
"I guess they saved the lot."

They hear the siren blowing
In early morn at four;
"Thank God", they say, "it's not
my home"
Then turn around and snore.
Next day, "Where was the fire?"
They'll ask, and like as not:
Sarcastically they will remark:
"I guess they saved the lot."

They never think of money saved
In taxes, every year;
By willing men in their home town;

Who act as volunteers;
Of men, no matter what the time,
Who are always on the spot.
These people who make this remark:
"I hear they saved the lot."

When asked to vote for water
bonds, or hydrants in their town,
They kick about more taxes
And turn the projects down.
Then comes a fire in some home,
No water near that spot.
And they'll come back with this
same cry:
"I guess they saved the lot."

More hose is needed in the town,
A pumper engine too.
These people quickly get alarmed;
They fret and kick and stew.
When several stores burn to the ground
They're right there on the spot,
And "knocking" all the firemen
For saving "just the lot."

So just remember all you folks,
No matter when or where,
The firemen are on the job,
Prepared to do their share.
But if you don't assist them,
Equipment they've not got,
The blame is yours, not theirs,
It they but "save the lot."

Guess what . . . Walter Coad paid a bill at the Water Co. with 300 pennies. . . . Commander Yale Maxon, son of Mrs. R. Y. Maxon, who has been engaged in decoding during the war, is now interpreter for Tojo's trial. The former war lord is questioned five hours a day and his replies interpreted to a secretary by Commander Maxon. . . . George Parso's real name is Pareseau. . . . Mrs. Lowell Benson and her sister, Mrs. Henry Jewell, had a busy time in San Jose on that windy day last week. They were just in time to assist an elderly couple walking down First St. with their small granddaughter. At the same time the wind swooped off the man's hat, it knocked over the small child and there was quite a bit of confusion for a while. . . . That same windy day the Campbell fire engines were kept warmed up "just in case". . . . Max Mercer threw his shoulder out of joint pushing his car instead of riding in it. Seems it needed a little gas.

Among the large group of Campbell veterans who have been awarded the Purple Heart are Raymond C. Benech, Oliver Fry, Rudolph L. Hall, Wesley U. C. Lemmons, Albert Martine, Ivan Parks, Doyle Rickey, Emile Vidas and Donald Wilson.

Super Market Opens Friday

Tomorrow, March 22, is the day set for the opening of Campbell's new super market to be known as Maderis Food Center. The new building, built by Carl Bohnett, is located on Campbell Ave., just east of Winchester Road, opposite the grammar school.

With the exception of the meat department, everything is in readiness for the opening. A delay in receiving the meat cases has caused the operating of that department to be postponed until April 20.

Campbell will be the second place in Northern California to have a modern, self-service meat department. Similar to the one in Napa, the meat will be wrapped in cellophane, priced and placed in refrigerated cases from which the shopper may select what he wishes.

In connection with the meat department is a cutting and wrapping room which is designed for utility and sanitation.

Although construction of the building was delayed by shortage of material and labor, it is now completed to reveal the latest word in food markets. Heated by gas and lighted by fluorescent lights, it contains the best modern display equipment in the grocery business.

Parking facilities will be available next to the market.

Contractor for the construction of the building was Lew Jones of San Jose.

W. H. Maderis, an experienced grocery man, will manage the market and plans on a full line of groceries, meats, and fresh produce.

Kite Contest at Grammar School

The yards of the Campbell Elementary school presented a colorful scene last Friday, March 15, when a kite flying contest was held. A large number of contestants displayed their handicraft and skill.

Winning first prizes for the largest kites to fly were Dick Piland, Ray Cagina and Joe Flores with Jackie Kimbriel, second.

Ray Williams and Richard Chapman received prizes for the smallest kites to fly, and Ray Miranda and Bob Pierce were judged owners of the most unique kites.

For the most artistic ones, prizes were awarded to Ray Williams and Roger Franzen. Other prize winners were Ray Williams and LeRoy Engel for the best box kites, and Elmer Nielson was the boy having the most string out, with Herman Rice, second.

Campbell Relays Here Tomorrow Afternoon

Six S. C. V. A. L. schools will be represented at the second annual running of the Campbell Relays on the local track, Friday, March 22nd, 3:30 p. m.

The relay type meet is much more interesting to watch than the regular meets. The local relays were so well liked by both the spectators and the performers that this year's met is being staged by popular request.

In 1945 the Bucs won seven out of fourteen first places and hope to repeat the feat tomorrow.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Washington Huskies Win First S.C.V.A.L. Game

Coach Herb Hudson's Bucs ball team lost a hardfought game to Washington High of Centerville last Friday afternoon.

Herb Hudson, Coach

Dewey Kosich had the game well under control until the fateful seventh inning when the Huskies scored five runs on a walk and four hits, all bunts.

Freshman Jack Garner, catcher, performed very satisfactorily in his first varsity game. The Bucs came up one run behind in the last of the sixth. Livingston was walked and after two were out, Bob Carli tripped "Red" home with the tying run, and Ernie Ray's single scored Carli—giving the locals a 2-1 advantage.

Hal Alameda, Washington pitcher, was wild and in deep water most of the game. He put men on base in almost every inning.

Boy Scouts Plan Camping Program

Boy Scouts and their leaders will start their summer camping program at Camp Felton on June 17, according to a decision reached at a meeting of the Council Camping and Activities committee, held recently at Scout headquarters, under the leadership of Robert Kirkwood. A yearly program of both camping and activities was decided upon by the committee during the meeting.

Scout camp will operate on a seven-day period basis, closing on July 14. Following these periods the camp will remain open for the remainder of the summer for troops to carry on short or long term camps. Each troop will camp as a unit under their own leadership and prepare their meals in their own camping area. A camp staff will be on hand to assist the leaders and their boys in their daily program. Campcraft, handicraft, nature study, archery, rifle practice, Scout games and campfire programs will be available to the Scouts under the supervision of the camp staff.

Other activities decided upon by the committee included a field day and hike-a-ree in each of the eight districts of the council before the summer vacation season, a fall event bringing the district groups together to start the fall and winter program and a Scout circus to be held during the early part of 1947.

Cubs of the council will stage at least one district-wide Cub picnic, hobby show or field day and the senior units will have the opportunity to participate in the regional events for older Scouts to be held during October and November.

Those attending the committee meeting were: Robert C. Kirkwood, Milt Rider, Fred Hilton, C. A. Buron, Roland E. Dye, Frank Olsen, Ted Robison and C. D. Bartlett.

Building Permits

Among the county building permits issued during the week are two permits for one-family dwellings, both on S. Milton Ave. J. W. Pierce received one and A. Weeks the other.

Wedding in Methodist Parsonage

Twenty-five guests attended the evening wedding of Miss Ovetta Ensley and Herman Jackson last Friday evening at the Methodist Parsonage with Lawrence J. Osborne, minister, officiating.

Style Show To Be Presented Next Week

For the first time in four and one-half years Campbell will have a fashion show when Miss Rachel Spradling of Rachel's presents a showing of spring fashions in the Country Woman's clubroom in the Library Hall next Thursday, March 28.

The event is planned for 8 o'clock in the evening to allow the Campbell men and those women who are employed during the day, to attend.

Jointly featured with the latest in spring styles will be an exhibit of oil paintings by Campbell's well-known artist, F. H. Cutting. In addition, musical entertainment is planned by a string trio composed of the Misses Beverly Clawson, Mardel Sanders and Joyce Klassen, and there will be door prizes of merchandise orders.

Miss Spradling says that fashions this spring show a freedom from wartime drabness and regimentation. "The trend is toward more variety and individuality," she said.

Modeling the latest spring ensembles will be Mrs. Louise Ayers, Mrs. Carol Evans, Miss Mary Price, Mrs. Del Arthur, Mrs. Elita Gates, Miss Carol Price, Miss Joan Sanders and Mrs. Eulalia Blaine. Mrs. Oliver Jensen will announce the program. There will be no admission charge.

Rites Held For Manuel W. Correia

Funeral services for Manuel W. Correia, San Jose-Los Gatos Road, were conducted last Friday at the Chapel of Flowers, with a Requiem Mass celebrated at 9:30 a. m. at St. Martin's church. Interment followed at the Santa Clara Catholic cemetery.

Correia, a native of San Jose, was an oil-truck driver for the Shell Oil Co. He is survived by his wife, Isabel, and brothers and sisters, William Correia of Santa Cruz; Mrs. Mary Silveria of Soquel; Mrs. Evelyn Rose of Concord; Mrs. Frances Silva of Alameda, and Mrs. Minnie Speigl of San Jose.

Boy Injured

Kenneth Starling, 14, 446 Empey Way, suffered injuries Tuesday when the light motorcycle which he was riding collided with an automobile driven by Lloyd E. Klein, 562 E. Campbell Ave.

Visits in El Cerrito

Miss Helen Stray visited friends in El Cerrito over last weekend. While there she attended the colorful Folk Dancing Festival in Albany.

One-Third of Red Cross Quota Collected To Date

Business Trips to San Francisco

Among those going to San Francisco recently were Carl Field who attended a grocery meeting; Miss Rachel Spradling who viewed a spring style show at Liebes', and Mr. and Mrs. G. Martin Allen who attended a dinner meeting of the California Newspaper Publishers' Association.

Vieiras Move to Mountain View

Mr. and Mrs. M. J. Vieira have exchanged their Campbell home for one in Mt. View as Mr. Vieira will then be closer to his work at Moffett Field. A member of the San Jose Grand Opera Association, Vieira will play Wagner in the forthcoming production of "Faust".

Fire Commissioner To Be Elected on April 1

Interest Shown In Locker Plant

Much interest is being shown in the new frozen food locker plant now being constructed on Winchester Road. To be known as The Campbell Frozen Food Lockers, it is owned and being built by P. N. Flagg, formerly of Oakland.

No definite date for beginning operations is yet determined because of the difficulty in obtaining lumber.

A total of 600 lockers, 24x16x30, is planned, and these will be of modern steel construction which insures an absence of food odors. In addition there will be a cutting and wrapping room and also a cooling and aging room.

An apartment is being constructed above the plant for the use of Flagg and his family who are now in Oakland.

Campbell Girl Wed at Los Gatos

A bride of early March was Cpl. Helen Regina Bogner, a member of the Women's Marine Corps, who became the wife of Lt. George Kent of Detroit, Michigan, son of Mrs. C. A. Jacobs, also of Detroit, at a nuptial mass in St. Mary's Church in Los Gatos.

Father Edward Varni, San Francisco, officiated at the service with Father Richard Curtis assisting.

The new Mrs. Kent is the daughter of Mr. and Mrs. Louis Bogner of Pollard Road and expects to receive a discharge from the service soon. After overseas service in the Pacific, the bridegroom is now on terminal leave.

For the ceremony, the bride chose a blue suit with black accessories, complimented by a corsage of white camellias and sweet peas. Her sister, Miss Betty Bogner, was her attendant and wore a brown suit with brown accessories. Her flowers were pink camellias and sweet peas.

Best man for Lieutenant Kent was the bride's brother, John Bogner.

A wedding breakfast at the Bogner home followed the rites after which the young couple left for a wedding trip in Southern California. They will make their home in the East.

Marriage License Issued

A marriage license has been issued to Nicholas R. Mazzone, Campbell, and Angeline J. Lamanantia, San Jose.

On April 1, voters of the Campbell Fire District will elect a fire commissioner to serve for the period of a three-year term. Fred Jones, proprietor of the Jones Service Station, will run for the office left vacant by the expiration of Jack Murdock's term. The other fire commissioners now serving are E. C. Merrill and Ethan Lanphear.

All work done by the commissioners and also the volunteer firemen is done without compensation.

The polls will open at 1 o'clock and close at 6 at the fire house, and all voters residing within the limits of the Campbell Fire District are eligible to vote.

A recent survey made by the Board of Fire Underwriters of the Pacific has been completed and the results sent to the Fire Commissioners. The report showed improvements in the local set-up which it is hoped will result in a reduction of insurance rates in the near future.

Some recommendations were made regarding hydrants, man power and an alarm system which must be considered soon as the present facilities are rapidly being outgrown.

Buc Track and Field Team Show Promise

The Buc tracksters opened their season last Thursday against the Monterey High Torreadors by dropping the unlimited division, 73-39, but winning the lightweight class, 55-49.

Campbell varsity performers copped half the first places but lack of seconds and thirds cost them the chance to keep the meet even. "Tommy" Blackmun took the hundred yard dash in 10.6 seconds and the 220 in 25.2. Harold Orcutt and Richard Villafuerte looked nice in winning the quarter-mile and half-mile events in 56 seconds and 2:17.4, respectively. Wayne Buck's 19 ft. 5 in. broad jump was good enough for first, and all performances showed promise of a good season ahead.

In the 125 exponent department, Little Dick Cotta appeared as the brightest star as he won the 75-yard dash in 8 seconds, put the shot 42 ft. 5 in., and tossed the discus 126 ft. 4 in., as well as anchoring the relay team into a meet winning first place. Don Ervin won "firsts" in the pole vault and broad jump and Courtney York led the entrees in the 150-yard and 330-yard dashes. The other winner was Elmer Sweeney in the three-quarter-mile event.

Coach Hill was pleased with most of the results, but is concerned about his hurdlers, milers, and varsity pole vaulters.

New Babies Welcomed

Among the recent new arrivals in Campbell are three baby girls. Mr. and Mrs. Silvanus E. Mobley are the parents of one, Sharon Ruth, born March 9 at the San Jose Hospital; another, Linda Jean, was born to Mr. and Mrs. Robert C. Carpenter, Everett St., at O'Connor Sanitarium on March 3. Mr. and Mrs. Henry Rose, 43 Monroe Ave., are the parents of a third baby girl, also born on March 3 at O'Connor Sanitarium. She has been named Kathleen Louise.

Horizon Club

At the regular meeting, March 18, at the home of Miss Regina Smith, members of the Horizon club made plans for a food sale, March 23, to be given at Decker's Market. Miss Jean Currie is in charge of arrangements.

EDITORIAL

There have been instances of communities successfully
resisting growth and change, but they have usually been
those communities with a background of "quaintness" or
those communities whose interests are directed toward the
arts with a population of well-to-do or retired people.

The objectors to the proposed zoning changes along
the railroad at Hamilton Ave. can scarcely claim these justi-
fications for Campbell. A town with the largest dehydrator
in the world and a cannery the size of Drew's has its roots
firmly in industry and agriculture.

It is said that one of the petition signers has on his own
property an industrial development originated before the
zoning ordinances came into effect. Surely residents living
in close proximity to railroad tracks may expect industry
to utilize such opportunities.

If the community is to take advantage of its opportuni-
ties for growth and its subsequent recognition as an entity
and not a suburb, industrial projects will have to be wel-
comed and not discouraged.

HERBERT HOOVER HESITATED

WASHINGTON.—Secretary of
Agriculture Clinton Anderson had
a hard time at first persuading
Herbert Hoover to come to Wash-
ington for the food conference. An-
derson caught the ex-President at
Key West, Fla., where he was
fishing.

"I've promised my family for
seven years to take them fish-
ing," Hoover told the secretary of
agriculture, "and now at last here
I am."

Anderson, however, emphasized
the urgency of the food crisis.

"We need your experience and
advice, Mr. President," he said.
"You can go back to your fishing
immediately afterward. But this
is a time when your country needs
you."

Hoover finally consented to
come.

BRICKBATS WIN ELECTIONS

Two of the bitterest opponents
on the House floor and in the
Interstate Commerce committee
are Representative Clarence
Brown, conservative Republican of
Blanchester, Ohio, and Vito Mar-
cantonio, American Laborite of
New York City. Off the floor,
however, the two respect each
other's ability and get along well.

Sitting in the House lobby the
other day they smilingly conclud-
ed an agreement which will prob-
ably never be carried out.

They were talking about cam-
paign expenses, when Brown pro-
posed: "Vito, I've got a sugges-
tion. Why don't we both cut our
campaign expenses to the bone?
Here's how to do it:

"You go into my district and
make three speeches against
me. Call me a reactionary
Hooverite, an isolationist, an
economic royalist — and any-
thing else you can think of.
That'll elect me.

"Then I'll go into your district
and make three speeches. I'll
call you a Red, a Dago, a new
dealer and an anti-Rankinite.

"With the proper literature
about you in my district and the
proper literature about me in your
district, both of us are a cinch
for re-election when we do that."

Marcantonio agreed that the
idea had merit, and they shook
hands on it.

NAZIS REMAIN IN GERMANY

A secret report on failure to de-
Nazify Germany has been made
to the war department, but is con-
sidered so shocking that it prob-
ably will be destroyed. It is now
in the office of Brig. Gen. Frank
A. Meade.

The report shows complete
failure to clean out high-rank-
ing Nazis. It also shows a sur-
prising number of so-called Ger-
man "laborers" who have sec-
retaries and stenographers as-
signed to them.

This is one of the latest dodges
to get around the employment of
Nazis by the American army. Ac-
cording to army rules, no former
Nazi can be employed in any job
more important than that of a
"laborer". Result is that many
Nazis are used in important jobs,
but listed on the books as "la-
borers". That is why they are as-
signed secretaries and stenograph-
ers.

These "common laborers" are
then put in charge of important
manufacturing plants. The report
now in the hands of the war de-
partment was made by the public
safety and inspection division of
military government. It may never
see the light of day.

HOW WYATT DID IT

If there were more men like
Housing Expediter Wilson Wyatt
around, President Truman would
have easier sailing. The other day
in Chicago, Wyatt was guest
speaker at a banquet of the Na-
tional Association of home build-
ers, 3,200 strong, all hostile, all
prepared to boo at the man who
proposed revolutionary building
reforms in order to complete 3-
000,000 homes in two years.

As Wyatt arose, the atmosphere
was charged with hostility. How-
ever, he told stories, explained his
program, made no antagonistic
statements.

The handsome new building

one which our people point to with

institution can erect such a build-

would indicate that there is more
money in circulation in this com-
munity than is generally believed.

New Post Installed

Three members of the American

the installation of a new post in
District 13, last Saturday eve-
ning. The new post which will be

posed wholly of Philippine veter-

District Commander Sid Bran-

After 45 minutes, having won

Finally, when he finished, ev-

cheered.

NOW WHITE SPAGHETTI

Some of the strongest opposition
to the President's "dark bread"
order is coming from an unexpect-
ed quarter—spaghetti manufactur-
ers.

Spaghetti, macaroni and noodles

flour made, in turn, from durum
wheat.

Semolina millers, as well as
spaghetti makers, are up in arms
about the "dark bread" order, de-
claring it will drive them out of
business. A number of semolina
mills have filed an exception.

OPA Urges All To Share With Vets

Home-owners can respond to President Truman's plea to "share their home with veterans" without forfeiting their rights to evict their tenants at any time they choose, Henry A. Cross, Northern California District OPA Rent Executive, pointed out recently.

"Home-owners who rent sleeping accommodations in their own homes to not more than two different tenants, or to only a single family regardless of the number of occupants, are exempt from the OPA eviction regulations," Cross stated.

"However, rooms rented under this arrangement are under rent control and must be registered with the OPA within the first 30 days of renting," Cross said.

As long as the rooms rented do not constitute an apartment, and are rented to not more than two persons or to not more than one family the landlord may proceed with eviction under local law without notifying or petitioning the OPA, he explained.

"I believe thousands of rooms could be made available to veterans and their families in Northern California's crowded areas if home-owners understood this special eviction exemption," Cross declared.

Mountain Lake, a government protected sanctuary for ducks and gulls, is within the San Francisco Presidio.

Station KNOX

San Francisco and the Bay area may soon have a new 50,000-watt radio station operated on a community-centered basis, if the FCC approves an application made by a group of San Francisco and Denver industrialists, headed by Alvin E. Nelson, former NBC manager in San Francisco.

The FCC, pending a promised hearing, has reserved the call letters KNOX for the new station. The station, however, will do no "knocking" at all. Instead, 50 per cent of its time will be devoted to non-sponsored civic, educational, cultural and religious broadcasts, and its primary aim will be to discover, develop, and publicize local talent. It will offer an outlet to people and organizations from San Francisco and all the counties around it, who have something to contribute to public enlightenment or entertainment.

All of Central and Northern California looks forward with interest to the inauguration of Station KNOX, with its avowed motto of "No knock—just boosts."

Keith Discussion Group Meets

At the regular meeting of the Keith Discussion Group Friday evening, March 22, at 7:30 p. m. in Room A of the Civic Auditorium in San Jose, George R. Keith will discuss the modern concept of capital.

Pianists Play March 29

Bartlett and Robertson, by whom "All other piano teams are measured", according to the New York World-Telegram, play in San Jose for the Concert Series on Friday evening, March 29. The program includes Fugue in G minor, Bach-Mednikoff; Aria, Sheep May Safely Graze, Bach-Howe; Tower Hill Jig, Farnaby; Earle of Salisbury's Pavan, Byrd; King's Hunt, John Bull; Andante and Variations, Schumann; Rondo, Chopin; My Prerry Little Pink, Pisk; Maiden and the Nightingale, Granados; Jamaican Rhumba, Benjamin; The Keel Row, Austen; Valse, Arensky; Clair de Lune, Debussy; Rush Hour in Hong-Kong, Chasins; Hungarian Rhapsody No. 2, Liszt.

San Francisco Symphony April 5

The coming of the full San Francisco Symphony Orchestra to San Jose on Friday evening, April 5, is drawing music lovers from all directions. The Watsonville High school has ordered some 60 odd tickets, and the Hollister Junior college 55. Great local interest is aroused by the opportunity to hear Adolph Baller, pianist, as soloist with the symphony in the Schubert-Liszt "Wanderer" Fantasia.

Martha Graham Dancers

Those who follow the dance world are eagerly looking forward to the appearance of Martha Graham and her dance company in San Jose on April 8. Louis Horst will conduct the orchestra, and the famous Martha Graham, "An artist of incomparable attainments", "One of the greatest artists of our day, probably the greatest dancer of all time", "The Duse of the Dance", will be seen with her company in three great ballets.

Moreland School Notes

Moreland Ties Los Gatos.

Wednesday, March 6, the Moreland "Tigers" played a basketball game with the Los Gatos "Kitty-Cats" on Moreland's court. The game was intended as practice, but both teams outdid themselves. The "Kitty-Cats" who have never lost a game were surprised when the Moreland boys tied them, 20 to 20. But when the tie was "played out" Moreland lost, 22 to 26, in a last minute play. But now the Moreland boys are seeking revenge and may play Los Gatos again.

Moreland Wins Over Cambrian

Friday, March 8, the Moreland "Tigers" and Cambrian "Bulldogs" played an unexciting game at Moreland's court. The "Bulldogs" offered little opposition to the "Tigers" and one of Cambrian's men referee. The "Tigers" led all the game and won with the score of 13 to 15, in the "Tigers" favor. Next week Moreland will play her last basketball game with Los Altos, at the latter's court.

Boy Scouts 36 Get Perfect Score

Boy Scouts Troop 36, which meets at Moreland school, received a perfect score of 100 in a district-wide test to determine which troops were having the best Scout meetings, last Wednesday night by the district commissioner, Mr. Jeffers. This "Surprise Test" did not worry the Scouts who put on a real show.

The program included patrol meeting and a council fire period around which several good stories were told. The wolf patrol put on a demonstration and baked two dozen biscuits. The fire was started by flint and steel, which many new Scouts marveled at because they couldn't do it, but presently caught on to the trick.

Moreland Basketball Team Defeats Los Altos

On March 15 Moreland school played its last game against Los Altos on their home court. It was one of the most exciting games Moreland has ever played. At the end of the first half Los Altos was in the lead by a score of 4 to 2. In the last half Moreland played very hard making 6 more points, winning with a victory of 8 to 4, Moreland favor. Team line-up: Soto Chagolla, center; Richard Sismore, forward; Ned O'Hara, forward; Dudley Herschback, guard; Bobby Sunzeri, guard.

Girl Scouts Have Birthday

March 16 was a big day for the Girl Scouts of the whole San Jose area. They held a huge Scout birthday pageant at the San Jose College auditorium. It was Girl Scouts 34th birthday. Well, now for the sad part: Troop 31 had to be Santa Clara Indians. They were plain and wild looking. They had to wear itchy grain sack tunics. And to add to their misery, they had to be smeared from head to toe with Hollywood Indian grease paint.

The pageant was a huge success and we wish to add our congratulations to Mrs. Dorothy Tucker who wrote and directed it. Troop 31 was refreshed from the misery of their hot sacks with ice cream. They returned home tired, bedraggled, and so hungry that they ate their macaroni necklaces.

Higher Meat Prices Announced by OPA

New retail ceiling prices for meat products, expected to be about 1½ per cent higher than at present, will be made public in the near future, the Office of Price Administration announced today.

The higher prices will be the result of increased wholesale ceilings on all cuts of beef, lamb, pork, sausages, lard and beef livers for domestic civilian and government use which were announced by the OPA last week.

Effective March 11, the new wholesale ceiling prices averaged for the industry an increase of at least 45 cents per hundred pounds of beef and val, about 50 cents for lamb, and 55 cents for pork. These averages are based on overall dressed carcass weights of sales for domestic civilian use.

Watch Repair Shop Opens Here

Among the new enterprises starting in Campbell is a watch and clock repair service with space in the Campbell Hardware Company which will be operated by Orville Johns.

Johns, whose home was in Glendale, has just finished a course at the Elgin Watchmaking College in Elgin, Ill., a school endowed by the Elgin Watch Co. Watch and clock repairing has been his hobby throughout his life and has now developed into a business for him.

A graduate of U. C. L. A., Johns was employed as a design engineer in the engineering department of Lockheed during the war. His wife and three children, now visiting in Nebraska, will join him when housing is located.

Johns intends to expand his business into a jewelry store when space is available.

William Minehart Discharged

Sgt. William L. Minehart, son of Dr. V. L. Minehart, Rte. 2, Box 331, Campbell, was honorably discharged from the armed forces recently at the Camp Beale Separation Center.

Entering the service in April, 1943, he was assigned to the Army Service Forces and was sent overseas in April, 1945, with the Armed Forces Radio Service.

An announcer, Sgt. Minehart has been awarded the Asiatic-Pacific theater ribbon with one battle star, the Philippine Liberation ribbon with one battle star, the American theater ribbon, the Good Conduct medal, and the Victory ribbon.

Woman Asks Help In Buying Nylons

The sight of nylon stockings displayed on a shelf, but for sale only to a preferred list of customers, irked a Sacramento woman to the point of writing to the OPA about it. The OPA could not help her.

"Please tell me," she said in a letter to Kenneth R. Hammaker, OPA District Director for Northern California, "if I would be within my rights to demand a pair on display and who would back me up if I were again refused."

Hammaker replied that this woman certainly would be within her rights if she offered the money and demanded the stockings. But he added that deals of this kind are not within the jurisdiction of the OPA.

"The OPA," Hammaker said, "is expressly prohibited by the Emergency Price Control Act from issuing an order that will force a merchant to sell any article to a customer. You have my sincere sympathy, and so do millions of other women who daily face a similar experience. There are quite a few problems the OPA can not solve, and this is one of them."

In all the affairs of human life, social as well as political, I have remarked that courtesies of a small and trivial character are the ones which strike deepest to the grateful and appreciating heart.—Henry Clay.

78 Years of Service

This week and next week, the University of California will celebrate the 78th anniversary of the granting of its charter as a State university.

The tremendous growth of this great institution and its importance to the entire state is illustrated by the fact that Charter Day exercises are not confined to the two main campuses at Berkeley and Los Angeles. This year Charter Day ceremonies are also planned at the Medical Center in San Francisco, on the campus at Davis, at Santa Barbara College, at the Citrus Experiment Station, and at Mt. Hamilton.

Dr. Robinson to Join Medical Corps

Dr. D. H. Robinson, Harrison Ave., has been called into the service and will leave about April 1 to serve as a 1st lieutenant in the Army Medical Corps. Mrs. Robinson and their three sons plan on remaining in Campbell during Dr. Robinson's service.

Big Boar In Los Gatos Sunday

A huge hog weighing nearly three-quarters of a ton is to be in Los Gatos for one day, Sunday, March 24. This big hog, weighing actually 1,465 pounds, is attracting considerable attention from the farmers in this vicinity.

The monster hog is conveniently displayed in an especially built trailer and the visitor is able to see him to the best advantage.

A small admission is charged to defray expenses.

The display, open from 10 a. m. until 10 p. m., will take place on the vacant lot next to the Rex Hotel. There are also several monkeys on exhibit.

Good News For Visitors

Though the immediate prospect of a room reservation in San Francisco is still as bleak as it was during the war, the long range possibilities of visiting the city by the Golden Gate were considerably brightened this week.

First came the notice of the Navy that it was releasing rooms and beds in three downtown hotels. Then came the announcement of a broad-gauge hotel building program, which would place San Francisco at the very forefront as a travelers' city.

This building program, of course, is a consequence of the growing importance in world and national trade of San Francisco and its surrounding area. The new frontiers of commerce opening out into the Pacific, the vast air, rail, ship, and bus business, the over-crowded bay bridges all tell the same story: San Francisco and the communities of Northern and Central California are bursting at the seams. For better or for worse, the world is beating a path to our doorways.

Legion Post and Auxiliary Meet

By D. RIBBLE

Last week's American Legion meeting took on the appearance of a "family night" when legionnaires, their womenfolk of the auxiliary and sons via the Sons of American Legion met in a joint meeting at Odd Fellows Hall. The occasion was the official presentation of the charter to the young Legion family, and colors donated by the ladies of the auxiliary.

Commander Wilbur Mitchell presided in the upper lodge room and opened the meeting under Legion ritual. He then called for Mrs. Ray Wood, president of the auxiliary, and Mrs. Gladys Dower, community service chairman, to be presented and given an honor place on the rostrum. Sid Brannaman of Palo Alto, commander of the 13th District American Legion, was next presented to the assemblage and given a place to the right of the local commander. For Sons of Legion representation, Captain Don Smith was introduced and seated next to Mr. Brannaman.

Briefly disposing of business matters, Mrs. Wood, on behalf of the auxiliary, called upon Mrs. Dower to take charge during the flag presentation.

Committeeman Ed Lee lined up his ten protegee representatives of the Sons of Legion and as they stood at attention facing the rostrum, two girls carried in the wrapped colors. The color bearers of the Legion followed and at the lowering ceremony, uncovered the National Emblem and the American Legion Sons of Legion banner. These were then officially presented, accepted in the name of the younger group by their captain, and placed alongside the regular Legion standards.

District Commander Brannaman presented the charter next, officially placing the local unit on the rolls of membership in the national organization. Again Captain Dan Smith was called upon to express his personal appreciation, and that of his group.

Following these impressive rites, Mr. Lee introduced each youth and called upon parents present to stand as each name was given.

Throughout the evening Miss Lorraine Wood presided at the piano, giving appropriate musical selections.

Legion projects slated for the near future include formation of a baseball team, with a request that any service man interested in this sport be present Sunday morning at 10 o'clock at the high school grounds. If sufficient interest is shown, games will be arranged with similar groups in this vicinity. Comrades Frank and Reece will assume responsibility for this group.

Sea Scouting, once a favored activity locally, will be reorganized under the guidance of Bill Weeks as temporary skipper. Eligible youths may contact him or any Legion member for further details.

A Legion card party is planned a few weeks hence, and Rex Fuller has a committee busy planning a repetition of last year's popular entertainment. Suitable announcement will be made shortly, giving everyone opportunity to plan for this event.

Louie Fortaine stated the Foot-lighters were busily engaged on a play to be presented under Legion auspices in the near future. "The Male Animal", which ran in New York for two seasons, is the vehicle of their expression.

Guests of the evening, in addition to those already named, included Ensign Bruner of Moffett Field, who identified himself both as a Son of Legion and Legion-tire. He spoke briefly to the boys who accorded him a rousing hand-clap.

At the close of the evening's business, bowed heads were ordered to the memory of Herbert Horton, a recent highway accident victim.

The next regular meeting of the auxiliary will be Wednesday evening, March 27, in the Woman's Club room at 8 p. m.

200,000 miles of new long distance circuits will be built in 1946

Big expansion program under way to speed your calls

This year alone, as part of a \$400,000,000 five-year expansion program, more than 200,000 miles of new toll and long distance circuits are planned for the Pacific Coast.

For we're on our way to providing a broader and faster long distance service than you have ever had before.

Everything possible is being done to expand long distance facilities now and to prepare the way for many new improvements to come. We handled more than 346 million toll and long distance calls in 1945 — nearly a million a day — and we're gearing up to handle an ever-increasing volume as the West continues to grow through the years to come.

WASHDAY

can tell you a lot about your Water Heater

How does your water heater "size up" on wash-day? If family use of hot water in bathrooms or kitchen drains down your water heater so you must wait or do your laundry with luke-warm water, your water heater is too small.

Modern homes need a water heater with at least 30 gallons water storage capacity. • When you build a new or remodel your present home be sure to have your plumber "size up" your hot water needs according to the chart below.

How to "Size up" Hot Water Requirements
Minimum Recommendations for Normal, Average Hot Water Service.

Number Bathrooms	Number Bedrooms	Storage Capacity Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

Remember, too, a large size water heater costs very little more to operate. It more than pays for itself in worry-free hot water service for the whole family.

Civil Service Examinations

Opportunity for a career service with the state opened recently when Francis W. Bridges, Department of Employment Representative, in the public employment office at 215 W. Santa Clara St., San Jose, announced forms are available for the filing to take the forthcoming Civil Service examinations for Unemployment Insurance Examiners.

Examinations in two classes of examiner will be held, Grade 1, paying \$180 per month, and Grade 2, at \$210 per month. Final date for filing is March 21, and the examinations will be held April 6, in all parts of the state where the number of candidates warrant.

The examinations, Bridges said, should be of special interest to returning veterans, in view of the fact that many types of army experience would fit into the requirements for holding the jobs, particularly personnel work. Veterans, of course, may apply for veterans preference when filing for the examinations. The Department of Employment has unemployment insurance claims examiner jobs in virtually all of its 118 offices throughout the state, and from the two lists, a large group will be appointed, Bridges said.

"The examinations," it was stated, "are on a permanent basis, and offer a key to a life-time career in state work."

"Annual salary increases, opportunity for promotion, a five-day, forty-hour week, a state retirement system and other advantages are some of the inducements for joining the state service. Protection in the job by civil service, and the opportunity to do a good job, and a needed job, should attract many qualified individuals to the examinations."

Persons who have had experience in personnel, business administration, labor or industrial relations, public or private employment service or welfare work should be able to qualify for the examination. A 12th grade education is required for filing.

Applications may be filed at the San Jose public employment office, and further information describing the jobs may be obtained there on inquiry, Bridges said.

It's a boy for Mr. and Mrs. Sierifine Larangiera of 240 N. Central Ave. The new arrival who has been named Larry Joseph was born March 13 at O'Connor Sanitarium.

Scout Service To Be Held

The Boy Scouts and Cub Scouts of the Campbell district are to hold an inter-faith service this coming Sunday evening, March 24. The service will be at the Campbell Grammar school and will begin at 7:30 p. m. Mr. Howard Smith is chairman of the committee which has arranged the service. Chaplain Lawrence Vos-seler of Moffett Field, who is living in Campbell at the present time, will bring the evening message. Mr. Frank Triana, director of music at Campbell High school and concert master of the San Jose Symphony, will play Bach-Gounoud's "Ave Maria". Others participating in the service are Mr. James Dent, Mr. W. E. Robinson, the Rev. Lawrence J. Osborne, the Rev. Robert L. Carlson, and Father J. Ryan.

Not only the Scouts and their parents, but also the general public is extended an invitation to attend this service.

Hornbuckle To Run For Sheriff

Howard F. Hornbuckle, announced candidate for sheriff of Santa Clara County at the June primary election, was in Campbell recently at which time he conferred with local civic officials.

A former San Jose police captain and one-time San Jose State College football player, Hornbuckle, 37, was first appointed to the San Jose police force in 1931 while he was still attending San Jose State.

He was subsequently appointed a police sergeant, and in 1944 he was made a captain. He served in that capacity until he resigned to enter private business as operator of a service station and garage business in San Jose.

Hornbuckle is a graduate of the FBI Academy which he attended while serving in the San Jose police department. He served as a traffic school instructor for five years, acted as a police detective and attended several State of California and FBI schools as student and instructor.

He is married and has one son, Rodger, a San Jose school student. During the war he was active in the detail against subversive activities. He attended all city, state and federal schools and was active in their activities during the emergency.

Grange Report

At the last meeting of Orchard City Grange held in the IOOF hall in Campbell, March 12, an impressive ceremony under the auspices of the Campbell Post of the American Legion was held as a "gold star" memorial service honoring Major Andrew Mathiesen, son of Mr. and Mrs. B. Mathiesen of Cupertino. He was taken prisoner by the Japanese in the Bataan campaign and met his death when he was being transferred to Japan on a prisoner ship and it was hit by an American torpedo. Commander Wilbur Mitchell and Chaplain David R. Ribble performed the ceremony.

Various committees gave reports on farm and orchard marketing. There were several visitors from Santa Cruz. Refreshments were served by Mrs. Charlotte Sutter and Mrs. Ruth Livingston.

The next meeting will be held March 26. There will be a potluck dinner at 6:30 to which the Future Farmers of the Campbell High school are invited as guests of the Grange. At 8:30 a special sound moving picture on DDT will be shown. The public is invited.

Avarice has ruined more men than prodigality, and the blindest thoughtlessness of expenditure has not destroyed so many fortunes as the calculating but insatiable lust of accumulation.—Colton.

Still Time To See Famous Doll House

There are still a few days left to see the famous Colleen Moore Doll House, now on display daily except Sunday through March 25, in the auditorium on the third floor of Hart's Department Store, Santa Clara and Market Streets, San Jose. The San Jose Junior Chamber of Commerce is sponsoring the event.

This \$500,000 fairy castle, the most costly toy in the world, was built at Miss Moore's expense about ten years ago to raise funds for the benefit of America's crippled children. Since then, almost continually on tour, it has thrilled and delighted thousands of boys and girls, as well as adults, throughout the nation.

Thousands of pieces of miniature furnishings, many of them of gold and set with precious gems, transform the 11 rooms of the Doll House into a lavish fairy castle. It has an organ that plays, a bird that sings, electric lights, running water, a completely equipped home 12 feet high.

The Doll House is open from 9:30 a. m. to 5:30 p. m. Junior Chamber portion of the funds will assist with local child welfare projects.

New Building on Winchester

Now being constructed on Winchester Road, south of Campbell Ave., is a new building, owned by A. C. Currie, Campbell real estate man. Built of reinforced concrete, the 45x83 building will house an office for Currie, in which he will conduct a real estate, insurance and notary public business.

Adjacent to his office will be a new store building, but Currie is undecided yet as to who will occupy it.

Correction

In last week's issue, John Smith, a recent dischargee was referred to as having served as a T/5. This should have been T/Sgt.

Campbell Hi PTA Elects Officers

New officers were elected to serve the Campbell Union High school PTA unit at the March 13 meeting, with Mrs. Earl Booker presiding.

The recommendations of the nominating committee were read by Mrs. Clarence Fagalde, followed by election of officers.

The officers-elect are: Mrs. Raymond Flagg, president; Mrs. Alfred Weltz, first vice-president; Mrs. Alfreda Runge, second vice-president; Mrs. David A. Sanders, secretary; Mr. James Dent, financial secretary; Mrs. R. C. Page, treasurer; Mrs. A. C. Currie, auditor; Mrs. James Gleed, historian; Mrs. Earl Booker, parliamentarian.

Members of Cambrian unit were guests of the day, with one hundred per cent attendance of the Cambrian school faculty. Mrs. M. L. Daniel, chairman of the day, presented the guests.

During the business session the following delegates were elected to represent the unit at the Sixth District annual convention on the first day of April: Mesdames Anthony Jurras, Mary Dennis, Clarence Fagalde, Alfred Weltz, B. J. Rauch, R. C. Page, James Gleed, A. C. Currie, J. E. Giacomazzi, with Mrs. E. Boker, Mrs. Raymond Flagg and Mr. J. W. Dent as guests.

Representing the unit at the February District meeting were: Mesdames Earl Booker, H. Cousins, Anthony Jurras, Georgene Kidward, Clarence Fagalde, R. E. Schaeffe and J. W. Knowles.

Mrs. H. Cousins, chairman of the Campbell Red Cross drive, asked for and received needed solicitors.

Mr. James Dent asked the cooperation of the PTA members in the Public School Week program to be held the second week in April and the annual music concert in May.

President Mrs. E. Booker spoke of the State convention to be held in San Francisco in May and urged her members to pool a car for one day's session. She asked that all annual reports be written for presentation at the April meeting. The meeting opened with the

Country Woman's Club Hears Gardening Talk

In a setting of spring flowers, the Country Woman's club met Monday, March 18, with Mrs. C. H. Kenna of the Elliott Nursery as guest speaker. She discussed the growing and care of shrubs and flowers.

Nina Page selected "Deep Purple" for her piano solo.

Members of the committee for the day were Mesdames A. W. Johnson, Rex K. Fuller, Frank H. Cutting, M. J. Palmer, H. E. Hansen and H. F. Cousins.

The next regular meeting will be held April 1, with Mrs. Franklin Blaine as chairman.

Astrakan lambs are selected for slaughter for fur when they are four days old.

National anthem, led by Mrs. Rex Fuller, Nina Page at the piano. Following the song Mrs. Rex Fuller read from the March issue of the California Parent - Teacher Magazine excerpts from the president's message written by the State president of the Parent-Teacher Congress, Mrs. J. J. Garland.

Speaker of the day, Dr. Anita Laton, assistant professor of hygiene and health at State College, was presented by Mrs. M. L. Daniel. Her address on "Narcotic and Alcohol Education" was received with great interest. She closed with stating that it is no longer a problem of ignorance, but the schools alone cannot carry the burden of education and that the final decision on "not to drink" or "how to drink intelligently", depends upon the home and family.

A social hour followed the meeting, with the sophomore mothers serving as hostesses.

Included in the week's billing at the Campbell Theater which has such favorites as Fred Astaire and Rosalind Russell, is Ginny Simms and Charles Coburn in a gay musical comedy, "Shady Lady". Charles Coburn, as a jovial professional card sharp, gives a characteristic performance. Lyrical ballads rendered by Ginny Simms are pleasing sequences woven through the film. Among the musical highlights are Miss Simms' renditions of "In Love With Love", "Xango" and "Cuddle Up a Little Closer". In addition to the songs, which were well staged, there are inter-

esting dance numbers created by Lester Horton. There is a well balanced proportion of music and comedy.

The story is centered about Charles Coburn as "Colonel" Appleby and his niece, played by Ginny Simms. The "Colonel" tries to go straight with the assistance of his niece, who sings at a Chicago night club. On their way to Chicago they meet the deputy state's attorney in charge of gambling and rackets, played by Robert Paige. The owner of the night club where Miss Simms sings is Marty, played by Alan Curtis, a smooth and ruthless racketeer. The state's attorney attempts to arrest the night club owner, who blackmails him. Eventually Marty is brought to justice.

Miss Simms and Paige fall in

love after quarrels and misunderstandings. A more mature romance is presented by Coburn and Kathleen Howard, who portrays Paige's wealthy aunt. The aunt buys the night club for the "Colonel" to operate.

Coburn's amusing characterization supplies many of the comedy incidents. Performances of the top players are good and the supporting cast lends valuable assistance. Martha O'Driscoll, as the sister of the state's attorney, gives a good dramatic performance which is worthy of note.

Former Campbell Teacher Now Heads Morgan Hill VFW

Ralph C. Fitzsimmons, who formerly taught agriculture at the Campbell Union High school, has been elected commander of the VFW Post 4112 at Morgan Hill.

Another Midnight Show Planned

Since the last midnight show at the Campbell Theater proved successful, another is planned for this Saturday evening. Again there will be a comedy teamed with a horror story.

The old favorites, Stan Laurel and Oliver Hardy, are the comedians in "Pack Up Your Troubles". As vagrants they are persuaded to join the Army, and once in olive drab they find themselves involved in numerous predicaments.

Chills and thrills are to be provided in the second picture, "The Vampire's Ghost", which concerns a fiend of mystery without a past.

The box office will open at 11 p. m., according to Vern Balcon, manager.

Receives Discharge From Waves

Miss Agnes Rucker, who has served in the Waves as a storekeeper since August, 1944, received her discharge recently at Balboa Park. She is the daughter of Mr. and Mrs. George Rucker, Santa Clara-Los Gatos Road, and attended San Jose State college. On Monday Miss Rucker returned to her position at Hale's department store.

Her sister, Miss Marian Rucker, received her discharge from the service in December and has now resumed teaching at Palo Alto.

Among real friends there is no rivalry or jealousy of one another, but they are satisfied and contented alike whether they are equal or one of them is superior.—Plutarch.

Methodist Minister Elected Delegate

The Rev. Mr. Lawrence J. Osborne, minister of the Campbell church, was elected delegate to a special conference held in Berkeley this week. The conference sessions were directed by the denominational leaders from Nashville, Tenn., and lasted for two days. The theme for the conference was "Evangelism and the Church School", fitting into the denominational emphasis of the Crusade for Christ program. A report of the conference was given at the local church fellowship supper on Wednesday evening.
